for motorcyclists who have already learned how to operate their bikes with competence volume 2 provides detailed explanations of such subjects as weight management and traction during braking and acceleration slip angles accident avoidance maneuvers and much more group riding is covered including authoritative suggestions for pre ride briefings lane changes and other normal riding maneuvers and unusual formations involving trikes and sidecar rigs as well as how to deal with an impaired rider riders who wish to carry a passenger tow a trailer go camping or tour on their motorcycles will find information here on how to plan such trips jim and cash have distilled these lessons from over a half million miles of combined experience and jim s spreadsheets and models give

readers the ability to analyze complicated issues of physics and motorcycle handling you ll discover more interesting material than you can imagine when you study the contents of volume 2 letter paperback 176 pages

a must have for every new kids fan this beautifully designed volume traces 40 years of the groundbreaking boy band through photos interviews and all the fascinating facts donnie danny jonathan jordan and joey they are boston s own new kids on the block an iconic boy band that sprang to the top of the charts and into the hearts of millions of global fans in the 1980s though each of the kids and the band itself has faced their ups and downs in the four decades since they came together they continue to release new music and maintain a loyal fanbase lovingly known as blockheads in new kids on the block 40th anniversary celebration music journalist and proud blockhead selena fragassi delves into the band s origins from their manager maurice starr bringing them together and their earliest influences to their biggest successes in the 1980s and 90s to their continued achievements today and the lasting legacy they ve left in the boy band canon along the way readers will also explore the creation of nkotb s biggest hits such as please don t go girl and you got it the right stuff the fan culture that built up around the band from the small gigs and mall tours of their earliest years to their inaugural fan convention in 2023 nkotb s influences from r b to pop and their place in a boy band history that begins with the jackson 5 and continues in the modern day with bands like one direction and bts the lasting legacy of a band proudly celebrating their fortieth anniversary step by step through interviews photos and sidebars full of fun facts and trivia you ll learn something new about the band on every page this book is the perfect companion to your everlasting love for nkotb

from yours truly to wicked dangerous woman to eternal sunshine this is the ultimate and most up to date music biography of ariana grande taking you on a fascinating journey through her eras pop icon cultural superstar and the wearer of the most successful high ponytail in music history ariana grande is the most streamed female artist ever she has countless number one singles and albums under her belt but shows no sign of slowing down and how could she ariana s voice is a once in a generation calling card it s helped her transform from a children s tv actress to a debutante pop girlie in the making on to a dominant force in pop music and someone who has shaped the careers of artists coming after her and now on to her latest and most surprising role yet oscar nominated

actress but who is ariana grande and what does her music say about her this is the ultimate fan s book that will delve into the creation of her inimitable songs as well as the astonishing woman who sings them

the hilarious new book from one of britain s best loved national treasures this is not a book of life lessons but freddie flintoff has had a moment to reflect and he s noticed that throughout his four decades although there s been little method in the madness there has been the occasional common thread the book of fred is filled with anecdotes observations and the odd opinion all told with fred s trademark humour and no nonsense style fred s approach to life draws on the sublime his series winning performance in the 2005 ashes and the ridiculous singing elvis presley s suspicious minds in front of a live audience from highs making the transition to top tv presenter to occasional lows accidentally upsetting the lovely bruce forsyth from the profane discussing shane warne s barnet with hollywood royalty to the profound why having a go leads to self respect throughout fred shares his code for success happiness and a life fully lived and gives his readers a laugh some joy and the occasional pause for thought along the way

pearl jam live celebrates the iconic rock band the fan culture and the music they created through interviews photos and more

if you drive into any american city with the car stereo blasting you ll undoubtedly find radio stations representing r b hip hop country top 40 adult contemporary rock and latin each playing hit after hit within that musical format american music has created an array of rival mainstreams complete with charts in multiple categories love it or hate it the world that radio made has steered popular music and provided the soundtrack of american life for more than half a century in top 40 democracy eric weisbard studies the evolution of this multicentered pop landscape along the way telling the stories of the isley brothers dolly parton a m records and elton john among others he sheds new light on the upheavals in the music industry over the past fifteen years and their implications for the audiences the industry has shaped weisbard focuses in particular on formats constructed mainstreams designed to appeal to distinct populations showing how taste became intertwined with class race gender and region while many historians and music critics have criticized the segmentation of pop radio weisbard finds that the creation of multiple formats

allowed different subgroups to attain a kind of separate majority status for example even in its most mainstream form the r b of the isley brothers helped to create a sphere where black identity was nourished music formats became the one reliable place where different groups of americans could listen to modern life unfold from their distinct perspectives the centers of pop it turns out were as complicated diverse and surprising as the cultural margins weisbard s stimulating book is a tour de force shaking up our ideas about the mainstream music industry in order to tease out the cultural importance of all performers and songs

the first edition of this highly acclaimed book has emerged as the standard reference in the field of desktop publishing with its well organized coverage of typesetting how tos trade terminology and practices and hardware and software options in the macintosh and ibm pc environments it has become an invaluable aid to first time users and experienced professionals everywhere now michael kleper has expanded his coverage with new material on creative software tools and utilities facsmile technology electronic imaging the latest in printers and other output devices pre press operations and necessary user skills all of this and a completely revised listing of information sources ensures that this handbook will remain the most comprehensive work of its kind
